

# London for a week!

The students from MYP 4, 5 and DP went to London last week

By Kamalika Patra

Last week, for 5 days, from the 19th to the 23rd of November the students from MYP 4, 5 and DP 1 and 2 of the International School in Groningen, went on a trip to London.

The first day of the trip was spent on the bus and the Ferry, riding their way to the Hostel near the heart of London. The day ended in a wonderful dinner at the Spaghetti House.

A small number of people slept that night, despite the lights having to be on and the noises having to be stilled till 12pm.

Starting the next day well refreshed up, the students went to the Globe theatre and learnt a lot about the history of Shakespeare. After having lunch they went onto the Tate modern museum to admire true works of art. The day ended in a double-decker bus ride to Trafalgar square and some free time!

The third day issued a tour through the Saatchi gallery, and then some free time to go shopping and taste a different part of London. Followed by dinner at the Pizza Hut. Later on that evening the pupils went to Wicked at the London theatre.

The next day they went to the London Dungeon in the morning. Continued by a trip to the BBC studios, where they found out a lot about the way a filming studio works.

Overall the trip was a great success and the teachers as well as the students enjoyed themselves!
